

BUILT ON THE ROCK BIBLE READING PLAN

A simple checklist: six months in the Gospels, then the whole Bible in a year, read chronologically.

Provided by Soul Hunter Ministries — “Leave No Soul Behind”

PHASE 1 – THE GOSPELS | 6 Months · 1 chapter a day

How it works: Read **one chapter a day**. Start at Matthew 1 and keep reading straight through Mark, Luke, then John. When you finish John, go right back to Matthew 1 and cycle through again. Keep repeating for six months (about two full cycles) — the goal is to become deeply familiar with the life and words of Jesus before moving on.

Day Tracker — check a box for every day you read (182 boxes = 6 months):

Tip: 182 chapters ÷ 89 chapters in the four Gospels = a little more than two full cycles. Missed a day? Just pick up where you left off — there's no penalty.

PHASE 2 CONTINUED

After six months in the Gospels, read the rest of the Bible in the order events happened.

PHASE 2 – CHRONOLOGICAL BIBLE | About 1 Year · 3-4 chapters a day

How it works: Read about **3-4 chapters a day**. Work straight down the book list below, in order — it walks through the Old Testament in the approximate order things happened (history, poetry, and prophets placed in their historical setting), then the New Testament (the life of Jesus, the early church, and the letters). Note: This follows the standard simplified chronological reading order used in most chronological Bible plans (kept at the whole-chapter level for simplicity). 66 books • 1,189 chapters total.

A note of encouragement: This is a relationship, not a race. If you fall behind, don't cram — just resume where you are. Reading with a friend or church group and praying briefly before each reading ("Lord, help me understand and apply this") makes a big difference.
